EPIC® SIGNAL M23 12 PCB

```
ETIM 5:
                                                   ETIM 5.0 Class-ID: EC000438
                                                   ETIM 5.0 class
    ETIM 6:
                                                   ETIM 6.0 Class-ID: EC000438
                                                   ETIM 6.0 Class-Description: Contact insert for industrial
                                                   connectors
         (V):
                                                   IEC 61984
                                                                 : 100V
                                                   1.5 kV
         (A):
                                                   7 A
                                                   3
                                                   < 4 mOhm
                                                   12*1mm PCB-solder contacts
                                                   РСВ
                                                                                      B1/B2
                                                                      Ø 1.0 mm.
                                                              : 4 mm
