

## EPIC® H-A 3 MEG

Innovative metal housing

EPIC® Rectangular connector, insert housing, with counter nut, IP68, zinc diecasting

Innovative screw mounted housing  
UL50E

Lapp

The EPIC® H-A 3 series comprises the smallest housings in the heavy-duty industrial connector range and ensures secure connections in the smallest of spaces.

The built-in housing is mateable by many commercially available hood housings.

## EPIC® H-A 3 MEG

With straight cable entry for orderly cable routing and to prevent excessive bending of the cable.

Simple mounting on the enclosure by screwing in and fixing with locknut.

The arrow as a new design element on the surface of the housing is easy to feel and simplifies plugging in spatially confined and possibly poorly visible application areas.

To protect the connector insert from environmental influences.

For use with many EPIC® rectangular connector inserts.

For power supply connection of devices and machines in various applications.

Withstands high environmental and mechanical stresses.

Suitable for outdoor use.

Screw mounted housing including flat gasket and counter nut
