

EPIC® H-Q 7 PE-C

Connector insert with 7 contacts and protection earth crimping contact

Compact, 7-pole rectangular connector insert, powerful up to 10 A, for crimpable PE contact.

Made in Germany

Lapp

Compact contact arrangement allows 7 contacts + 1 PE contact in a small installation space.

Crimp connection creates a vibration-proof connection, ensures maximum contacting reliability between contact and cable and is suitable for automated assembly.

EPIC® H-Q 7 PE-C

Special PE crimp contact enables automated assembly of a completely vibration-proof connector.
 Mateable with market standard connectors.
 Suitable for conductor cross-sections from 0.14 - 2.50 mm².

For power supply connection of devices and machines in various applications.
 Suitable for wiring inside the control cabinet.
 Can be used with many EPIC® rectangular connector housings.
