

EPIC® SOLAR 4 GEN2 caps EPIC® SOLAR protection cap

Simple but effective. The protective cap for closing unplugged solar connectors does what it's supposed to do: protect against dirt and moisture. The eyelet can also be used to attach a securing cord to a cable so that nothing is lost.

Prevents the penetration of dirt and moisture.
With eyelet for attaching a securing cord for fastening to the cable.

For closing unplugged connectors.
For use with EPIC® SOLAR 4 GEN2 solar connectors.
