

XL, insulated

UL (MTW) -CSA-HAR

The specially produced conductor end sleeves with funnel-shaped insulation sleeve opening make it significantly easier to slip on the strands

UL(MTW)-CSA-HAR -

Because of their certifications for numerous markets, special conductor end sleeves with the cross sections listed below are needed for our multi-standard single cores

DIN

DIN 46228 Part 4

For 2,5 mm², 4 mm², 6 mm² and 10 mm² the standard AHI end sleeves could be used as the insulation thickness does only vary slightly from "standard cables"
